

BC Chamber of Commerce Non-Profit Insurance Program

The BC Chamber of Commerce’s insurance program was created to make it easier, more informative and more affordable for Chambers of Commerce and their non-profit member organizations to get insured. In partnership with Shaw Sabey & Associates Ltd., our 20+ years’ experience and group-buying power has helped us negotiate some of the best coverage and lowest rates in the country.

It’s easy to apply! Chambers and their members can apply online in less than 5 minutes for a free, no obligation quote. Applicants will receive a quote proposal by email that includes eight different types of insurance coverage, specifically tailored for non-profit organizations. You can then pick and choose, for a customized insurance policy.
